Dear Member(s)

Re: Willow Weaving at Hethersett Village Hall, NR9 3JJ on Monday, 4th February 2019 - 9.30am to 1pm

Something different for the programme early next year; the opportunity to try willow weaving! We will be guided by Jonathon Carrie of Norfolk Hedge and be able to construct a 6ft obelisk with some weaving around the outside which you can then take home for use in your garden. It should be an interesting and fun morning with a product at the end of it which you will have the satisfaction of knowing you have made yourselves. Do have a look at Jonathon's website – www.norfolkhedge.co.uk – in which you can learn more about him and the materials he uses.

The morning will start at 9.30am with coffee/tea and biscuits and we can then move on to the serious business of constructing our obelisks. The cost is £35 per person which includes the tuition and finished obelisk, along with refreshments. Numbers are restricted to a maximum of 15 members. I look forward to hearing from you.

With best wishes
Kathy Gray
